

**APPLICATION FOR WATER/SEWER SERVICE
AGREEMENT VILLAGE OF JUNIATA, NEBRASKA**

- Existing Service Connections** **New Connection**
- Residential** **Commercial** **Other**

The undersigned, being the owner or occupier of property located within the utility service area of the Village of Juniata, hereby makes application to the Village of Juniata for water and sewer service, and if utility service is made available by the Village agrees to the following conditions:

1. Pay the minimum charge for each utility service from the time the service is made available by the Village and pay for actual water and sewer usage based upon metered consumption at rates set out in the rate schedule adopted by the Village Council each year as part of the annual Village budgeting process.
2. Promptly make monthly payment of the utility billing mailed by the Village before the first of each month. Bills not paid by the 10th of the month shall be subject to a charge equal to 10% of the unpaid delinquent bill. Failure to pay a bill by the 20th day of the month shall result in discontinuance of the utility service. If service is disconnected due to nonpayment of a delinquent utility bill, collection of a reconnection fee of \$75.00 shall be added.
3. The utility service provided by the Village shall be for the sole use of the undersigned and the undersigned agrees that they will not extend or permit the extension of pipes for the purpose of transferring water or sewer service from one property to another, nor will they share, resell, or submeter water to any other customer. Each meter service shall supply water to only one residence or business establishment.
4. If, after utility service is made available the same is discontinued or disconnected for any purpose pursuant to the Ordinances of the Village, reconnection shall be upon the conditions set out in the Village Ordinances.
5. The undersigned agrees that they will make no physical connection between any private water system and the water system of the Village. Representatives of the Village may at any reasonable time come on the premises where water is being used for the purpose of making inspection to enforce this provision. Violation of this provision shall be grounds for disconnection of service.
6. The Ordinances of the Village and the Rules and Regulations established by the Village for the operation of the utility systems, as presently existing, and as may be amended from time to time, are made a part of this agreement as though fully set out herein.
7. The property to which these utilities are to be provided is specifically described as follows:
_____, Juniata Nebraska 68955 PO Box _____
8. A utility service deposit shall be made with the Village Clerk/Treasurer in the amount of **\$80.00.**

9. **For new service connections:** Upon acceptance of this Application by the Village, the applicant agrees to pay **Estimated Connection Cost \$** _____ (customer responsible for all expenses necessary to bring water service from the lot line to the place of dispersal) If actual cost of installation is less than the estimate, a refund of the overpayment shall be submitted.
